Re: Radburn audit

Mr. Konecky,

We appreciate your offer to recommend Accounting firms for our consideration relative to the upcoming Radburn audit.

The Board is presently reviewing proposals and will make a decision shortly.

On a personal note, I take exception with your statement regarding the Radburn Manager's involvement in this process as being perceived as a conflict of interest.

Not only is Louise Orlando's character and reputation above reproach, but also it is hard to believe that any of the highly respected firms in contention would tolerate any form of undue influence.

Sincerely,

Donald F Morris
